*For 2013 we have chartered the Indo Siren, operated by Worldwide Dive & Sail. This 40 meter (130 ft) traditional Phinisi-style Schooner is custom outfitted to provide for 16 divers in comfort & safety. The Indo Siren is fitted with camera storage & charging facilities, a luxurious salon, and plenty of deck space for lounging about in between dives. As we are chartering the entire vessel & have extensive experience with the region, we are in complete control of our itinerary and will make sure that we see the best that Raja Ampat has to offer, fine tuning it to the desires of our guests!*

**10 Nights**  
**9 Days of Diving**  
**\$ 3,800**  
**per person, dbl occ.**

price includes nitrox (if certified), airport transfers, and rental equipment (except torches & computers)

trips can be booked back-to-back, spend 20 nights with us in Raja Ampat!
